Magnificent Estate at Tremendous Sacrifice.

This wonderfully attractive property is situated among the hills at Bedford in the leart of the most exclusive, most beautiful, and in every way desirable section of Wentchester County. It was built a few years age by the famous financier. Percy P. Lewis, for his own home. He selected one of the most fertile and beautiful stretches of rolling farm land, containing two hundred and sixty-sagen acres, through which he built wonderful roads and created a ten-acre lake, which he stocked with fish. He brought the entire farm estate to a high state of development and cultivation. He built a large English manor house, which is now one of the most beautiful and well-known landmarks. It contains a large reception hall, drawing room, dining room, den and office, seven large master's bedrooms, each with private bath, seven servants' bedrooms and two servants' baths. The outbuildings consist of very practicable, ample, and excellently appointed barns, stables, cottages for the help, large garage, machina shop, etc. He spent before his death more than \$750,000. Due to extraordinary and very unusual circumstances, I am offering this margnificent property for immediate sale at \$250,000. This is the opportunity of a lifetime.
